Steve,

I am writing to report that Alderman Moreno and I were given complementary passes to attend a public event, Affinity Night, at the Goodman Theatre on April 18, 2013. We both appeared at this reception and premiere-showing event, which highlighted a noted Puerto Rican playwright and his play that was debuting that same evening. The value of each pass was \$30.00.

I was given an extra complementary ticket for my wife to attend the event. I have reimbursed the Goodman Theatre \$30 for the value of my wife's complementary ticket.

Thank you for receiving this report.

Sincerely,

Raymond Valadez
Chief of Staff to
Alderman Proco "Joe" Moreno
